UNEMPLOYMENT BENEFITS DURING THE CRISIS: DENMARK, ITALY AND SPAIN

ABSTRACT

This article aims to analyse the evolution of Danish, Spanish and Italian legislation in the field of social protection in case of unemployment, in the light of European guidelines. In each of the mentioned Member States, we will focus on two fundamental aspects: the level of social protection in case of unemployment and the phenomenon of « *contractualization* » of social rights.

KEY WORDS: Social protection, Unemployment, « contractualization » of social rights, Danish legislation, Spanish legislation, Italian legislation.

RÉSUMÉ

Le présent article a pour objet d’observer l’évolution des législations danoise, espagnole et italienne en matière de protection sociale en cas de chômage, à la lumière des orientations européennes. Dans chacun des États membres mentionné, on mettra l’accent sur deux aspects fondamentaux : le niveau de la protection sociale en cas de chômage et le phénomène de « contractualisation » des droits sociaux.

MOTS CLÉS: Protection sociale, Chômage, « contractualisation » des droits sociaux, Législation danoise, Législation Espagnole, Législation italienne.
